

Fi Plan Partners Web App Instructions

Here are the instructions for getting the Fi Plan Partners App Icon on your phone/tablet.

Step 1: Go to www.fiplanpartners.com

Step 2: At the bottom of your iPhone/tablet screen you will see an icon that is a square with an arrow pointing out of the top, click this icon.

Step 3: Scroll right on the bottom row of options until you see an “Add to Home Screen” button, click this.

Step 4: Clicking this will take you to a screen where you can edit the name of the app icon (“Fi Plan Partners”), then click “Add” at the top right.

Step 5: App has now been added your phone/tablet.

Whether it is in person, by phone, online, or on the go, we want you to have access to us and your financial information. It is part of our “High Tech, High Touch” commitment to you.

If you have an Android or Desktop you can simply add the website as an app icon by clicking the menu bar on the browser and selecting “Add to Home Screen”
